- f. The Grand Prize must be accepted as awarded and no changes, substitutions, or modifications to the itinerary, travel dates, destinations, or other prize elements will be permitted.
- g. The Grand Prize is non-transferable and may not be assigned, sold, or otherwise transferred to any third party.
- h. If the Grand Prize winner is unable to travel, unwilling to accept the travel conditions set forth in these Terms and Conditions, fails to execute required documentation, or is otherwise unable to accept the Grand Prize, the prize may be forfeited without compensation, and an alternate winner will be selected from the remaining eligible entries.
- i. The Promoter is not responsible for any delays, cancellations, changes to itinerary, overbooking, strikes, weather conditions, or other circumstances beyond the Promoter's reasonable control that are caused by airlines, hotels, tour operators, or other travel service providers. Any additional costs incurred as a result of such circumstances are the sole responsibility of the prize winner.
- j. The Grand Prize winner and their travel companion travel entirely at their own risk. The Promoter disclaims all liability for any injury, damage, loss, accident, delay, or irregularity that may occur during travel or at the destination, whether caused by defect of any vehicle, aircraft, or accommodation, or by any act or omission of any company or person engaged in providing services included in the Grand Prize.

Travel must be booked at least sixty (60) days before departure and completed within twelve (12) months after the confirmed draw date. To the maximum extent permitted by law, the winner will have no claim against the Promoter for disappointment or loss arising solely from those circumstances.
- l. The Grand Prize winner may elect to travel alone but cannot transfer, assign, or reallocate their travel companion allocation to another trip, person, or time period. Any frequent flyer points, airline loyalty benefits, or other travel-related rewards that may accrue from the flights included in the Grand Prize will belong to and may be retained by the Grand Prize winner, subject to the policies and terms of the relevant airline or travel service provider. The selection of specific room type, hotel category, and all accommodation arrangements will be made at the absolute discretion of the Promoter, provided such arrangements fall within the stated approximate retail value of the Grand Prize. No upgrades, changes, modifications, or

special requests to the accommodation, flight arrangements, or other travel components will be permitted once arrangements have been made, regardless of availability or the winner's willingness to pay additional costs. The Grand Prize must be accepted as booked and arranged by the Promoter.

- o. The Grand Prize winner and their travel companion must travel together on the same flights and stay at the same property.
- p. No compensation or alternative travel plans will be arranged should the Grand Prize winner and/or their travel companion miss their outbound or return flights or fail to meet any check in requirements for any reason. These costs will be the responsibility and expense of the Grand Prize winner and travel companion.
- q. A credit card imprint may be required from the Grand Prize winner at check-in to the hotel for all incidental charges.
- r. Travel suppliers/airlines to be chosen at the discretion of the Promoter's travel partner.
- s. Travel itinerary will be determined by the Promoter in its absolute discretion.
- t. Comprehensive travel insurance for the Grand Prize winner and their travel companion is included, subject to the insurer's eligibility requirements, terms, exclusions, age limits and pre-existing condition requirements. If either traveller is not eligible for the standard included cover or requires additional cover or premium due to age, a pre-existing condition or another personal circumstance, the Promoter will contribute the cost of the standard included policy and the Grand Prize winner will be responsible for any incremental cost. The winner and travel companion must hold appropriate travel insurance for the entire trip.
- u. Unless expressly included in these Terms and Conditions, all other expenses are the responsibility of the Grand Prize winner and their travel companion, including meals outside the stated inclusions, spending money, incidentals, mini-bar charges other than the included Orpheus Island Lodge mini-bar, laundry, room service, telephone calls and other ancillary costs.
- v. By accepting a prize, each winner consents to the Promoter using the winner's name, image and likeness for reasonable promotion and reporting of the Promotion for twelve (12) months after the draw, without additional compensation and subject to applicable law. Any use of the travel companion's name, image or likeness will be subject to that person's separate consent.

Invalid Entries and Disqualification

- 20. In the event that Breville determines in its sole discretion that an entrant has provided an invalid Proof of Model Number and/or Proof of Purchase, that entrant will be notified via the email address ("Notification Email") provided by the entrant of the reason for this determination. The entrant will have until 11:59pm (AEDT) on the fourteenth (14th) calendar day after the Notification Email is sent to provide a valid Proof of Model Number and/or Proof of Purchase, as applicable, by responding to the Notification Email.
- 21. The Promoter may invalidate an entry if an entrant fails to provide a valid Proof of Model Number and/or Proof of Purchase by the fourteenth (14th) calendar day after the Notification Email is sent.
- 22. The Promoter may, at any time, verify the validity of entries and entrants, including an entrant's identity, age, place of residence, Proof of Purchase and Proof of Model Number, and may disqualify any entrant who submits an entry that does not comply with these Terms and

Conditions or who tampers with the entry process. All decisions of the Promoter are final and no correspondence will be entered into. Failure by the Promoter to enforce any right at any stage does not waive that right.

23. Incomplete, indecipherable or illegible entries will be deemed invalid. Entrants are responsible for ensuring their correct contact email address and other details are provided and any updated details are notified to the Promoter. The Promoter accepts no responsibility should an Entrant fail to notify the Promoter of correct details or of a change to those details, or for otherwise providing incorrect information.

General

24. If a Participating Product submitted as part of an entry is returned for a refund or exchange, other than a like-for-like warranty replacement, that entry will be disqualified and the entrant will not be entitled to receive a prize.
25. Any costs associated with entering the Promotion are the entrant's responsibility. Any taxes (excluding GST) payable as a consequence of receiving a prize are the prize winner's responsibility. Prize winners should seek independent financial advice regarding any tax implications. Other ancillary costs not expressly included in the applicable prize description are the prize winner's responsibility.
26. The Promoter makes no guarantee of the availability of its web services and will not be held responsible for any interruption of service that may interfere with an entrant's ability to participate in this Promotion.
27. Where the Promoter has reasonable grounds to suspect fraud, identity theft, or any other irregularity in connection with a winner's entry or verification, the Promoter may require the winner to provide a statutory declaration verifying the truthfulness and accuracy of all information provided. Failure to provide such statutory declaration within the timeframe specified by the Promoter may result in disqualification. The Promoter's decision regarding the adequacy of verification documentation is final and binding, and no correspondence will be entered into regarding such decisions.
28. By entering the Promotion, entrants fully and unconditionally agree to be bound by these Terms and Conditions and the decisions of the Promoter, which will be final and binding in all matters relating to the Promotion.
29. If a prize winner cannot be contacted or fails to claim and verify their prize within fourteen (14) days after notification, the prize will be deemed unclaimed. The Promoter will make reasonable attempts to contact the winner using the details supplied at entry. Subject to applicable regulatory requirements, an unclaimed-prize draw will be conducted from the remaining eligible entries on Monday 1st March, 2027 at 1pm AEDT by Hindsight Legal at Suite 1.10, 3 Fordham Way, Oran Park NSW 2570. Any alternate winner will be subject to the same eligibility and verification requirements, notified in writing within fourteen (14) days and published at breville.com/en-au/competition/summer-wellness on or before Friday 19th March 2027. Once the unclaimed prize has been reallocated or otherwise dealt with in accordance with applicable law and permit conditions, the original winner will have no claim to the prize.
30. There will be no delivery fee for Secondary Prizes delivered within Australia. For the Grand Prize, all inclusions specified in clause 11 are provided at no cost to the winner, except for any expressly disclosed surcharge or incremental insurance cost; other costs not expressly included are the

winner's responsibility. A change of delivery address for a Secondary Prize requires fourteen (14) calendar days' notice by contacting askus@breville.com.au or 1300 139 798. If a Secondary Prize has already been dispatched before the change is notified, the Promoter will not be responsible if the prize is delivered to the original address.

31. Prize winners may not delay any delivery or change any aspect of the prize.
32. The Promoter is not responsible for any delivery or processing delays.
33. For Secondary Prize winners notified of a successful win, Breville will endeavour to arrange prize delivery within 28 business days of the notification email.
34. For the Grand Prize winner, Breville and/or its agencies will work with the winner to arrange travel booking within 30 days of winner verification, subject to travel availability.
35. The Promoter will award the one hundred (100) Secondary Prizes described in clause 11(c). Colourways are subject to availability and will be selected by the Promoter. If a stated prize or component becomes unavailable for reasons beyond the Promoter's reasonable control, any substitution will be made in accordance with clause 40.
36. Subject to these Terms and Conditions and to the maximum extent permitted by law, the Promoter (including its officers, employees and agents) excludes all liability (including negligence) for any personal injury, or any loss or damage (including loss of opportunity), whether direct, indirect, special or consequential, arising in any way out of the Promotion, including, but not limited to, where arising out of the following:
 - i. any technical difficulties or equipment malfunction (whether or not under the Promoter's control);
 - ii. acts or omissions (including negligent acts or omissions) of the Promoter's employees or agents involved in the conduct of this Promotion.
 - iii. any theft, unauthorised access or third party interference;

 - v. any tax or other financial liability incurred by an entrant; or any loss, injury, or damage arising from participation in travel associated with the Grand Prize.
37. Nothing in these Terms and Conditions is intended to exclude, restrict or modify any consumer rights under the Competition and Consumer Act 2010 (Cth) ("CCA") or any other legislation that may not be excluded, restricted or modified by agreement. If the CCA or any other legislation implies a condition, warranty or term into the Terms and Conditions or provides statutory guarantees in connection with these Terms and Conditions, in respect of goods and services supplied (if any), the Promoter's liability for breach of such a condition, warranty, other term or guarantee is limited to (at the Promoter's election), to the extent it is able to do so:
 - i. in the case of supply of goods, the Promoter doing any one or more of the following:
 - replacing the goods or supplying equivalent goods;
 - repairing the goods;
 - paying the cost of replacing the goods or of acquiring equivalent goods; and/or
 - paying the cost of having the goods repaired; or
 - ii. in the case of supply of services, the Promoter doing either or both of the following:
 - supplying the services again; and/or
 - paying the cost of having the services supplied again.

38. These Terms and Conditions are governed by the laws of the State or Territory of Australia in which the entrant resides, and each entrant submits to the non-exclusive jurisdiction of the courts of that State or Territory.
39. If the Promotion is not capable of running as planned due to computer virus, bugs, tampering, unauthorised intervention, fraud, technical failure or another cause beyond the Promoter's reasonable control that affects the administration, security, fairness or integrity of the Promotion, the Promoter may modify, suspend or cancel the Promotion, subject to applicable law and any required regulatory approval.
40. If a prize or prize component becomes unavailable for reasons beyond the Promoter's reasonable control, the Promoter may substitute a prize or component of equal or greater value, subject to applicable law and any required regulatory approval.
